Custom New Hire Training

A LIVE custom training for new hires entering the luxury design industry.

Have someone NEW starting that needs a crash course to get up to speed right away?

Curriculum

Pick any 2 topics below to get a jam-packed bootcamp style training:

- Window Covering 101
- Drapery 101
- Rockstar Sales System
- Design Project Management System
- Repeat & Referral System
- Find and Train Your Next Rockstar

The fast paced nature of bootcamp style means that:

- Each topic will be expedited to be covered in half the time
- Best for refreshers or quick learners
- Ideal for ramping up in 30-45 days

Perfect Pairings

You may select any 2 pair, and here are the most popular:

- Window Covering & Drapery 101
- Rockstar Sales & Window Covering 101
- Design Project Management Principles and Window Covering 101

What's Included

Each program includes:

- ✳ Live sessions with a trainer
- ✳ Training workbook and recorded sessions
- ✳ Homework assignments for reinforcement
- ✳ Graduation certificate
- ✳ Implementation guide

"I highly recommend this program regardless if your brand new or a seasoned designer. I am confident the materials she provides coupled with all her, "tricks of the trade", will make you exponentially a cut above all the competition."

Marissa Statley, Drapery Connection
